EXAMINE THEM ALL. [From the St. Louis Globe-Democrat.]

Misery loves company. Senator Sherman has no intention that the contingent fund over which he presided as secretary of the treasury shall be subjected alone to the order of investigation. He has submitted a resolution to the senate, which has statesman.

Still the country will go right n adopted, providing for the close scrutiny of the disposition of the contingent funds of all the departments. It is beyond question that there are many necessary expendi-tures of a diversified nature in the conduct of a department which can not well be provided for by specific appropriations. Such provision would involve an almost endless detail, and then some little things, which could not well be dispensed with, would be very sure to be omitstance, that digars, by no legitimate months in the navy. ... 1816102 fit of method of construction, can be classed Mr. Blaine signalized his advent to

determining what they ought to be, office. and would take measures according- Judge Swain is a rich man, but he has ly. But the experiment was a failure.
The custodian appointed soon became as those who had hitherto ouly devoted a part of their time to it. It was found that the contingent fund would last longer without a custodian and the office was who had hitherto only devoted a part of their time to it. It was found that the contingent fund would last longer without a custodian sun, and it is to be supposed the new judges who have boys that will not work will not follow in the lootsens of the lootsen

sponging on the government in-creases by degrees. The bold act of charging up lunches as sperm caudles argues a long course of preparation just as the younger sear of the making and postage stamps-items which to free institutions. many subordinates regard as almost honest perquisites. Where the same set of men are steadily employed this kind of thing grows, unless it is periodically checked, until the dralts upon the contingent, fund excite ans.

"I should say he was about four or

such as state and municipal of which reach the dignity of direct and indisputable theft. Let thorough examination be made, as Senator Sherman desires. The probability is that a number of small leaks can be stopped. If some of the Washington shop-keepers could be induced, out of consideration for their eternal welfare, to reform and tell all they know about the contingent Tunds, much valuable light would be the same of the United States, to unite the republic an party, and save the republic from going into the much valuable light would be thrown It may seem to the officials inter-

It may seem to the officials interested that it is a small business for so august a body as the senate of the United States to pay any attention to such small matters; but the fact that all sentiments, and did my duty to God your all description from a skin disease which they are not paid attention to renders the irregularities possible and long continued. A periodical overhauling whereupon the Post-Dispatch aptly remarks:

OUR ACCIDENCY.

[From the St. Louis Post-Dispatch ! The small beginnings of the admin-

higher than its source. The present president, we are sorry

to say, has not changed his nature.

He has taken the customs of the custom-house collector and manager of a dirty political machine to the nominated by the governor and consonaire mansion.

A constitutional amendment sauopted by the people of Connecticut provides that in future all judges of the supreme and superior courts of the state shall be nominated by the governor and consonaire mansion.

month he is as certain to leave the cabinet as the Missouri is certain to flow into the Mississippi.

But worse than all this is the anged of the supervision of the managed of the supervision of the managed of the supervision of the supervis
